Ms . Milros

As we received such short notice to respond to this variance I have some more names and these images to add to our letter as we are scrambling to meet the 3:30 deadline.

These pictures respond to our concern regarding water run-off and that the proposed properties remove the barrier of the regular flooding at the base of our street in spring and fall. These images do not even depict a heavy storm or rain fall but a typical collection of tin-off water.

These pictures were taken in 2007.

As well please add these names to our list of concerned residents.

Anita Kung - 2 Springmount Ave
Severino & Hilda Centritto - 71 Springmount Adrian Gruff & Aspurçe Kolat.- #2, 1224 Davenport Road Anthony & Rita
Rovito - 50 Glenholme Ave.
