

ANOTHER TLAB HEARING - Oct. 25th & 26th - 9:30 am

Despite the fact that the community and the city jointly won against Brentlane's proposed townhome development at the Committee of Adjustments and then AGAIN at the Toronto Appeal Board, the developers have been granted a new appeal hearing because of a technicality.

Both times the community has proven that this development FAILS to Respect and Reinforce the neighbourhood character, which is one of the tests in the planning act for any new development. Together we can protect Garrison Creek, the Niagara Escarpment, our neighbours, affordable housing and respect and reinforce this majestic part of Regal Heights.

WE CAN WIN AGAIN

How Can You Help?

Come to the first part of the two day hearing this fall on October 25th at 9:30am. A strong presence from the community at both of our previous hearings was a major factor in the decision going our way. Please try and attend and add your voice!
