The Toronto Local Appeal Body has set aside One (1) Day for this hearing.

All parties and participants should attend at the start of the hearing at the time and date indicated, irrespective of the time allotted. Hearing dates are firm - adjournments will not be granted except in accordance with the Rules.

Hearings will ordinarily be held by Oral Hearing; however, TLAB by Notice or by its Rules may provide that a proceeding may be by way of an Electronic Hearing or a Written Hearing. Hearings may be postponed due to the uncertainty created by Public Health concerns and the usability of Facilities.

The TLAB encourages Parties to conduct mediation if the TLAB is satisfied there is good reason to believe one or more of the issues in dispute may be resolved through Mediation. Mediation is a more effective and less costly approach than the hearing process, and allows parties to address issues in a collaborative manner and in a less formal environment. Mediation conducted by the TLAB shall be held no later than 15 Days before the Hearing. See Rule 20.

- Arrive early to your electronic hearing. Show up at least 15 minutes early to address and resolve any potential technical issues. Please test your software, speakers, and microphone.
- Be flexible and expect a degree of informality.
- Come prepared. Familiarize yourself with pre-filed documents and their location; be prepared to access and share documents and files you will depend on ahead of the meeting to avoid disruptions or delays
- Find a private, well lit, and quiet room. Participants should find a room that is free of distractions, interruptions, and telephone calls.

- Be open, honest and respectful.
- Have a notepad available for undertakings and reminders
- Have a phone or email available in case you get disconnected

**Please also note the following as per the TLAB Chair's direction:**

*“A Hearing before the TLAB, whether in person or by way of an electronic or teleconference consideration means and requires that persons involved inform themselves as to the distinctions between ‘Party’ and ‘Participant’ status and be content with those roles as set out in the TLAB Rules of Practice and Procedure.”*

*As well, the TLAB relies upon sworn or affirmed testimony; the obligation rests on the Owner/Applicant to support and satisfy the Tribunal that the approvals sought, on the policy and statutory tests applicable, are advanced by opinion evidence on the application of these matters and principles of good community planning.”*
